

# CREDIT RECOVERY 2024-2025

Idaho Digital Learning Alliance has developed a credit recovery program to meet the unique learning needs of Idaho’s credit recovery students.

## WHEN?

- Registration opens April
- Classes begin

## HOW MUCH?

- \$75/course
- To register, contact your school’s site coordinator.

IDLA credit recovery courses combine an interactive curriculum and deeply engaged IDLA teachers with school-led intervention. IDLA provides NCAA-approved content that is aligned with Idaho state content standards, the Learning Management System, teachers, and internal support staff. Districts provide local personnel to support the students with intervention, social-emotional support, physical and/or virtual technical access to courses, and transcription of credits.

IDLA is offering 9-week sections of the courses below. Courses are divided into 8 units; one unit a week. A ninth week allows for students to complete any missing work and to redo assignments. Daily attendance is a required component of students in these classes and is based upon daily completion of course work.
