

FLEX COURSES 2026-2027

Idaho Digital Learning Alliance’s mission is to partner with Idaho public schools to provide innovative, accessible, and equitable learning.

COURSE COSTS

- \$40 per course (public schools; graduation-required courses)
- \$100 per course (non-graduation-required courses)
- \$445 per class (private and virtual schools)

REGISTRATION

- Register through your school’s site coordinator
- Flex courses will have ongoing rolling enrollments from 04/01/26 - 04/02/2027.

Flex courses are delivered on a flexible schedule driven by the student’s needs. During these open-enrollment courses, students work at their own speed and on their own schedule. With flex courses, students can exempt themselves from specific content by taking and passing a unit pre-test. Flex courses utilize the same lessons and include similar assignments to those in the Cohort courses. They are fully online but offer additional flexibility in enrollment timing, scheduling, and pacing as compared to cohort courses. Flex courses address all required Idaho State Standards and are NCAA-approved.
