

Strategic Plan

2026 - 2031

We Believe:

1. All students deserve access to high-quality, rigorous educational opportunities.
2. All learning must be student-centered, personalized, and responsive to individual needs.
3. All schools and districts deserve responsive support.
4. All of Idaho deserves a publicly accountable online learning provider focused on student success.

Vision Statement

Idaho is a place where every learner thrives—anywhere, anytime—through innovative, personalized, and equitable digital education.

Mission Statement

Partner with schools to ensure every student, wherever they live, can access high-quality digital learning designed and delivered by Idaho educators.

Goal One

IDLA is responsive to, and guided by, the needs of Idaho schools and students.

Strategies

- 1.1 Adjust practices, programs, and courses to meet school and student needs.
- 1.2 Prioritize support for rural students while maintaining access for all students.

Goal Two

IDLA provides best-in-class service and overall end-user experiences.

Strategies

- 2.1 Use actionable data to improve decisions, quality of service, academic outcomes, and stakeholder communication.
- 2.2 Build and strengthen relationships between IDLA, schools, families, and partners.
