I. Agenda

A motion to approve the agenda was made by Superintendent Debbie Critchfield and seconded by Mr. John Stiffler at 7:59 p.m. The motion is unanimous.

II. Public Comment

Open Forum is held only during regularly scheduled Board meetings—not during special meetings or Executive Sessions—and is limited to a total of fifteen minutes, with individual speakers allowed up to five minutes each. The Board Chair may adjust speaking time, limit the number of speakers, or request group representatives to summarize shared viewpoints. Priority is given to individuals addressing agenda items or those who have not recently spoken at Open Forum. Public testimony must not include comments about employees, personnel matters, disciplinary issues, personal grievances, or partisan political topics. Board members do not respond during the forum, but concerns raised will be recorded and may be addressed at a future time.

III. Action Items

1. Fall 2026 / Spring 2027 Enrollment Priorities

Mr. Brian Lee moved, seconded by Mrs. Karla LaOrange, that: for the fall and spring of the 26-27 academic year, IDLA cap total enrollment at 40,000 enrollments including summer 2026, cap individual students from urban districts at two reimbursable courses per semester, create a one week priority enrollment week for rural students in each scheduled session, set a \$40 course fee for courses that meet a graduation requirement, set a \$100 course fee for Elective courses that do not meet a graduation requirement, include additional fields in IDLA's registration process to determine course fees, add certification by the District Superintendent or designee, limit IDLA course offerings for 26-27 to prioritize core courses, dual credit, credit recovery, overload, and high-enrollment courses, and reduce the number of available sections of low-enrollment courses.

A motion to adjourn at 8:07 p.m. was made by Superintendent Debbie Critchfield and seconded by Mr. Matt Valadao. The motion is unanimous.
